INVESTIGATION

In an in-person statement to IPRA, complainant [REDACTED] stated that on April 25th, 2017, she was driving on North Avenue and made a left turn onto Luna Avenue when she

began to be followed by an unmarked police vehicle. [REDACTED] recalled being followed by this vehicle for approximately one block. When [REDACTED] turned left onto Linder Street, she recalled seeing the police lights from the police vehicle turn on; she then pulled over to the right side of the street. [REDACTED] recalled at that point four civilian dressed POs approached her vehicle, two on the driver's side of the vehicle and two on the passenger's side. [REDACTED] recalled that the PO on the front driver's side and the PO on the front passenger side had their guns drawn as they approached [REDACTED]'s vehicle. [REDACTED] stated that when she saw the POs approaching with their guns she rolled down all four of her windows and placed her hands on the steering wheel. [REDACTED] recalled that the PO on the driver's side asked her if she knew her temporary license plate was suspended. [REDACTED] then proceeded to explain to the PO that the license plate was not expired yet and that she had received her new plates in the mail and they were currently located in her trunk. [REDACTED] stated that she intended to put the new plates on her vehicle when she arrived at her family members' home. The PO on the driver's side then said to [REDACTED] "Didn't I fucking say that the plates were expired." [REDACTED] then responded by saying, "Yes sir, I am not being argumentative, I just indicated that the plates were not expired".

[REDACTED] recalled that shortly after approaching her vehicle, the POs on the passenger side put their guns away, got into another car and drove away. [REDACTED] recalled that at one point, one of the remaining POs took her license to scan it and when he came back he told her that she was under arrest and asked her to step out of the vehicle. As [REDACTED] unbuckled her seat belt, she recalled the PO grabbing her cell phone out of her lap and throwing it into her vehicle. [REDACTED] then stated that the PO "assisted" her out of her vehicle by grabbing her left arm and "rapidly and aggressively" pulling her out of the vehicle. As she was pulled from the vehicle, [REDACTED] alleged PO Tanovic took her phone from her lap and threw it inside her vehicle.

[REDACTED] recalled the PO asking her if she had any drugs or weapons on her person to which she responded that she did not. [REDACTED] stated that at this time the PO "threw her against the vehicle" and took her left arm and bent it upwards "as far as it could go" and then took her right forearm and handcuffed her. The PO then went to the front of [REDACTED]'s vehicle and indicated that one of her front lights was out. [REDACTED] recalled that the PO again reiterated that her plate was expired to which [REDACTED] stated again that her plate was not expired. The PO told [REDACTED] that she was to not be verbally combative [with him] and [REDACTED] stated that she was not being combative but was just informing the PO that to her knowledge, her plates were not expired. At this time, [REDACTED] recalled the PO placing [REDACTED] in the police vehicle which was where the PO told [REDACTED] that her driver's license was suspended. [REDACTED] then informed the PO that she did not have any knowledge of her license being suspended. [REDACTED] also informed the PO where her insurance and registration were located in her vehicle. She also told him that she purchased her vehicle less than 60 days prior to the incident and did not know her driver's license was suspended. At this time, the PO told [REDACTED] that she was being arrested and was going to jail. [REDACTED] also recalled that the other PO drove her vehicle to the police station and the original PO drove her to the police station in a squad car.

Once [REDACTED] arrived at the police station she was put into a room where she was handcuffed to a bench for two and a half hours. [REDACTED] stated that while she was in lockup, she was not told that she had the right to ask for a supervisor. [REDACTED] stated that she sustained bruising to the upper inner part of her left arm from the PO pulling her out of her vehicle. As a

result of being thrown against her vehicle, [REDACTED] stated that her body was “sore and aching” for a week. [REDACTED] stated that she did not seek any medical attention and that no photographs exist of her injuries.

In an **in-person statement to IPRA, accused PO Seid Tanovic, Star No. 9472, Unit 213**, stated that on the date and time of the incident he was on-duty with his partner PO Timothy Manning driving an unmarked grey Ford Crown Victoria police vehicle. PO Tanovic stated that the traffic stop he conducted on Luna Avenue was for a driver’s side headlight that was defective. PO Tanovic stated that after pulling over the vehicle, he approached the driver’s side of the vehicle and his partner, PO Manning, approached the passenger side. PO Tanovic did not recall whether he asked for [REDACTED]’s driver’s license first or if he told [REDACTED] why she was being stopped first, but PO Tanovic stated that it is his general procedure to explain why the driver was being stopped and then ask for the drivers’ license.

PO Tanovic recalled that [REDACTED] then produced her driver’s license. PO Tanovic stated that after he received Taylor’s driver’s license he went back to his car to run the license and upon doing so he discovered that her license was suspended. PO Tanovic then recalled realizing an arrest must be made so he walked back to [REDACTED]’s car and informed her of her suspended license and asked her to step out of her vehicle. PO Tanovic vaguely remembered an encounter with [REDACTED] at this time in which [REDACTED] stated that her license was not suspended, to which PO Tanovic recalled replying that indeed, the license was suspended. PO Tanovic stated that [REDACTED] then exited her vehicle on her own and turned around in preparation to be handcuffed. PO Tanovic stated that he did not push [REDACTED] against her vehicle at any time and did not recall PO Manning getting involved in gaining compliance of [REDACTED] during her arrest. PO Tanovic recalled that [REDACTED] was compliant and the arrest itself was “without incident.” PO Tanovic did recall that [REDACTED] was upset due to her arrest and he knew this because she was crying in the backseat of the police vehicle on the way to the police station. PO Tanovic did not recall [REDACTED] saying anything during her arrest other than that she did not think her license was suspended. PO Tanovic also recalled [REDACTED] expressing concern for the belongings in her car because she was leaving town the next morning. Therefore, PO Tanovic was able to get the belongings out of her car and remembered that this action calmed [REDACTED] down. PO Tanovic recalled [REDACTED] calling one of her friends while she was at the station to come and pick up her belongings. PO Tanovic also stated that he did not have his weapon out at any time during this encounter.

In an **in-person statement to IPRA, witness PO Timothy Manning, Star No. 8403, Unit 213** stated that on the date and time of the incident he was on-duty with his partner PO Seid Tanovic in plain clothes driving in an unmarked grey Ford Crown Victoria police vehicle. PO Manning stated that he was the passenger of the police vehicle during a traffic stop of a Dodge Charger due to an inoperative headlight. PO Manning indicated that the officers curbed the vehicle and he approached the vehicle on the passenger’s side. PO Manning explained that he was the guard officer at this time and that his duty was to stand on the passenger’s side of the vehicle. PO Manning explained that this is for safety purposes to watch the incident and the occupants of the vehicle while the other officer, in this case PO Tanovic, was interacting with the driver. PO Manning recalled that [REDACTED] was alone in the vehicle during this stop and that PO Manning did not have any direct conversation with [REDACTED]. PO Manning also stated that he could not hear most of the conversation that took place between PO Tanovic and [REDACTED]. PO Manning

stated that both POs went back to the police vehicle to run [REDACTED]'s driver's license through a name check inside the police vehicle. PO Manning did not recall who ran [REDACTED]'s name, but generally PO Manning would have done it. PO Manning did not recall saying anything to [REDACTED] during her arrest. PO Manning did not recall the wording used when PO Tanovic asked [REDACTED] to step out of her vehicle, but [REDACTED] did step out of her vehicle of her own volition. PO Manning recalled hearing PO Tanovic saying, "please put your hands behind your back," while [REDACTED] was being handcuffed. PO Manning stated that [REDACTED] continuously demanded to know why her license was suspended and why she was being arrested during this incident which led PO Manning to believe that [REDACTED] was upset. PO Manning also recalled seeing [REDACTED] crying at the station and she appeared to not want to talk, which furthered his belief that she was upset. PO Manning recalled [REDACTED] being slightly belligerent due to the abundance of questions she was asking but overall PO Manning recalled [REDACTED] as being mostly upset. PO Manning recalled a friend of [REDACTED]'s coming to pick up [REDACTED]'s belongings out of her vehicle. PO Manning stated that he did not at any time un-holster or display his weapon.

The Arrest Report of [REDACTED] CB # 19470764 documents that on April 25, 2017 at 8:13 PM at [REDACTED] N. Luna Avenue, [REDACTED] was pulled over for operating a Black Dodge Charger with a malfunctioning driver's side headlight. During the traffic stop, Reporting POs conducted a name check and found that [REDACTED]'s license was suspended. [REDACTED] was placed in custody and transported to the 25th District for processing. [REDACTED] was arrested for Driving on a Suspended License and Headlight violations. The arresting POs were S. Tanovic # 9472 and T.P. Manning # 8403. [REDACTED]'s vehicle was impounded.

The Traffic Citations issued to [REDACTED] show [REDACTED] was cited for 9-76-050(B), Headlight Two Required Motor Vehicle and 625 ILCS 5.0/6-303-A, Driving on a Suspended License.

The Impound Report shows that [REDACTED]'s 2015 black Dodge Charger was impounded on April 25, 2017 in beat 2532. The narrative reports the vehicle was stopped for 9-76-050(B), a malfunctioning headlight. The driver was found to have a suspended license and placed into custody and transported to 25th District for processing.

The Office of Emergency Management and Communications (OEMC) Event Query 1711514393 indicates that on April 25, 2017 at 8:14 PM, Beat 4370B was at [REDACTED] N. Luna Avenue for a traffic stop.

The Assignment and Attendance Sheets for April 25, 2017 show POs S. Tanovic # 9472 and T.P. Manning # 8403 assigned to beat 4370B in car # 4150.

The GPS for car # 4150 shows the vehicle at 8:13 PM, at the location of [REDACTED] N. Luna Avenue.

No body-worn camera or in-car camera video was found associated with this incident. IPRA requested this information on July 7, 2017 and received a “no response found” on July 13, 2017.¹

CONCLUSION/ANALYSIS:

IPRA’s burden of proof is based on the preponderance of evidence standard. As such, IPRA recommends that **Allegations #1 through 4**, that PO Seid Tanovic aggressively grabbed and pulled [REDACTED] out of her vehicle, threw her against her vehicle, grabbed her phone out of her lap and threw it inside her vehicle, used profanity in saying “didn’t I fucking say the plates were expired?”, be **Not Sustained**. This investigation did not reveal evidence to prove that is more likely than not that the allegations brought against PO Tanovic occurred. [REDACTED]’s statements are contradictory to those of PO Tanovic and PO Manning. Moreover, there is no video or photographic evidence available from this incident to corroborate the officers’ or [REDACTED]’s version of events. Furthermore, despite [REDACTED]’s assertions of injuries, she did not seek medical treatment. For all of these reasons, IPRA cannot prove or disprove Allegations #1 through #4.

IPRA recommends that **Allegation #5**, that Officer Tanovic approached [REDACTED]’s vehicle with his weapon drawn be **Not Sustained**. In her interview with IPRA, [REDACTED] reported that “four officers approached her vehicle with their weapons drawn”. She then reported that the two officers to the rear of her vehicle holstered their weapons and left soon after the stop. The officer at the driver’s side of [REDACTED]’s vehicle was later identified as PO Tanovic. [REDACTED] did not specifically recall the direction PO Tanovic’s weapon was facing or the manner in which he had it drawn. Though CPD policy allows for officers to approach vehicles in traffic stops with their weapons drawn in certain circumstances, PO Tanovic reported he did not have his weapon drawn. For all these reasons, IPRA recommends Allegation #5 be not sustained.

The officer at the [REDACTED]’s passenger’s side window was later identified as PO Manning. No allegations were brought against Timothy Manning because [REDACTED] did not specifically recall the direction PO Manning’s the officer’s weapon was facing or the way in which he had it drawn. CPD policy allows for officers to approach vehicles in traffic stops with their weapons drawn in certain circumstances. Furthermore, [REDACTED]’s report conflicts with PO Manning’s report of the incident in that PO Manning reported he did not have his weapon drawn. For this reason, no allegations were brought against PO Manning.

¹ The unmarked police vehicle operated by the officers in this incident is not equipped with an in-car camera; the officers involved in this event had not, at the time, been issued body worn cameras.
